

## Travelling sustainably: e-charging stations around the ATLANTIC Hotel Landgut Horn

For our guests travelling by electric vehicle, the area around the hotel offers numerous charging stations so that you can enjoy a carefree and sustainable stay. In the immediate vicinity of the hotel you will find various charging points that allow you to charge your vehicle quickly and conveniently.

The nearest charging stations include

- Wirelane charging stations along the nearby main roads, which are easily accessible around the clock.
- EWE Go and GLS Bank charging stations within walking distance, perfect for an uncomplicated charging option.
- Eulektro and Elli - VW Group charging stations for even more flexibility and short distances.

Use your stay to charge your vehicle during your break and enjoy the certainty that the necessary infrastructure for electromobility is available directly on site. The attached picture gives you an overview of the various charging stations in the immediate vicinity of our hotel.

We look forward to welcoming you to the ATLANTIC Hotel Landgut Horn and enabling you to enjoy an environmentally conscious and comfortable journey.
